MWLETTERS

Tell us, and our girls, what you want more and less of!

MASSEY APPEAL!

Hello, Team *MensWorld*. I really liked the pictures of Gemma Massey in your latest issue, but they must have been taken at least a year ago. I've seen her in a few films since then – mostly Bluebird ones – and she's had serious work done as far as I can tell. I've got to say, it's done her no favours, in my opinion. She's gone from being a dolly bird to looking like a doll. So if you run her again in *MensWorld*, keep those pictures old!
James, Portsmouth

We're not sure who these people are advising models to keep having surgery when they already look amazing, but we agree with you, James. Gemma is a cracking model, but the surgical look is not to everyone's tastes and while some girls look great after a bit of work, a lot of them certainly don't!

GREY MATTER!

The last time I saw Sasha Grey, she was acting in *Entourage*, albeit playing herself attempting to go straight. I hope she doesn't. She's one of the sexiest, most natural porn stars about, and gives a mean blowjob (well, it looks like it, I haven't sampled those delights myself!). Loved the pictures of her a lot – have a word and tell her to stay in porn.
Ed, by email

We thought she was pretty good in Entourage, but don't exactly see her getting the lead role in too many blockbusters. It's one thing to be in a low-budget Steven Soderbergh movie, it's another to be in Harry Potter 8 when your background is interracial anal and blowbangs. So we reckon we'll have lots more of Sasha for the foreseeable!

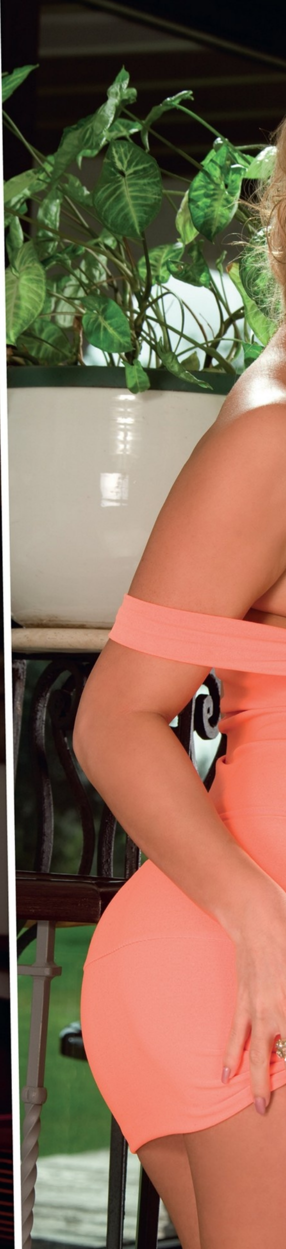
OH WHAT A NIGHT!

I never thought I'd get the chance to party with porn stars, but having got a free ticket to your Britain's Got Totty party, I finally did. It was a bit pricey once the free drinks ran out, but I can't really complain when I got to meet and get autographs (and also a couple of kisses) from Katie Kay, Michelle Thorne and Danielle Maye. The girls were all absolutely lovely and not remotely up their own arse. When you have another one, I'll be there again.
Dylan, Manchester

Glad you could make it down, Dylan. It was great to meet some readers and yes, the girls were on fantastic form. You'll know first-hand how out of hand those girls get after a few champagnes. Which, of course, is why we had the party in the first place…

NATALIA

PHOTOGRAPHY: VLT



Natalia loves glamming up when she's somewhere nice and hot – Portugal in this case – but she reckons most *MensWorld* readers would be shocked to see her when she's at home.

"Oh god, I'm such a slob," she giggles. "Most of the time I don't get out of my pyjamas. I'll just put on episodes of *America's Next Top Model* or *L.A. Ink* and watch that all day."

Surely you make an effort for guests?

"What guests? I don't want anyone seeing the state of my place. No, I'm prepared to get cleaned up and dolled up to go and visit someone, but on a bad day my flat could be on *Life of Grime*."

Well, we do like a dirty girl...

Stick It In!

We love hearing about all your filthy fumblings and sexual shenanigans, so if you've been out pulling birds, up to your nuts in the woman next door, or even just shagging your own missus, make sure to write in and tell us. There's £50 per letter in it for you, so get writing…

LUSTY LODGER!

When I split up with my boyfriend I found a room in a big flat with a couple, Sandy and David. It was very nice for the money – they weren't poor, so I didn't know why they felt the need to share their living space with a stranger. But I had fun finding out!

One Friday, Sandy said David was leaving her home alone, and would I like a girls' night in? Yes, I said, and after some wine and a chick-flick she suggested watching a porno, just for fun. But it was hot stuff and I felt myself get wet between the legs. Then, as we watched a lezzie scene, Sandy gave herself a sneaky rub through her knickers, explaining, "It gets me like this every time…" when I saw her do it.

I asked was she flirting with me, and she said "Yes. Who wouldn't?" and next thing we were making out on the sofa. When we paused for breath, she told me David was due home any second. "So?" I said.

"So let's get naked and ready for him," she smiled.

That's how he found us, me with a big mouthful of tit while Sandy humped her wet twat against my thigh. He just stood there grinning, then undressed and started wanking over us.

Sandy said she had a radar for hot girls who liked getting nasty both ways, and it had gone haywire when they'd met me! I proved them right by reaching for David's cock, jerking it against my tits and face, then taking it in my mouth.

Now Sandy was sucking my boobs, fingers creeping toward my pussy. She stroked them along my slit, then buried a couple inside. My moans were damped down by the meat I was blowing, as she told me how tight I was, how good my cunt would feel around his cock. Well, he was certainly cramming my mouth to capacity.

I let him slide out, a string of saliva hanging between my tongue and his cockhead. Then I wanked his spit-wet dick and said we should find out how good. He wanted to do me doggie style, but Sandy didn't want to move, so he spooned me instead, moving in close behind and penetrating my pussy, with help from Sandy's guiding hand. She caressed his wet shaft on the outstroke, licking her fingers. Then he ploughed in deep and slow and she fondled his balls, his dick seeming to swell and pulse each time she squeezed.

She let me taste myself off of her fingers, too, and then I said I wanted to sample her juices. She sprawled out on the sofa, thighs spread. Now David got to do me from behind as I dove my face into Sandy's crotch. He took it real slow at first, burying his cock deep and stirring it around, so my mouth moved in the same circles on her snatch. Then as I ploughed my tongue into her hole, he thrust in and out, humping

my face against her.

Later she said the sight of him fucking me, his crotch bouncing off my firm arse cheeks, was the final trigger – though she'd never got such a good licking off of any woman before. Now I pulled away from her and looked over my shoulder at David. Immediately he began to pound me hard. I wedged my hand over my clit, letting the friction build; then as I came I felt him blow his load too.

I put my hand over my hole as he pulled out, keeping the jizz inside of it. So when Sandy slid underneath to eat it out of me, she got his whole load down her throat. Then she just kept on sucking me. My cunt was hot and sensitive from one orgasm, so it didn't take much before it was pulsing around her tongue, throbbing as she gulped my juices.

Living with David and Sandy has turned out to be one big fuckfest! I'm not in any hurry to move out and, while I guess I need to find a guy of my own, I'm kind of hoping to hook up with a swinger so we can upgrade to foursomes!

ANOTHER LAY AT THE OFFICE!

When Natalie and I first met at the office, we hated each other on sight – I think we were too alike, two queen bees in competition. Lucky for us we got a little tipsy at a function, and had the best fun teaming up to cocktease our male colleagues! But it came back on me – no man in that room wanted Natalie as badly as I did by the end of the night.

Back in my hotel room, I fucked my own fingers till I couldn't cum anymore. I got a couple hours of sleep before loud knocking on the door woke me. It was Natalie, saying she couldn't sleep for thinking about me. Her hair looked like she'd been tossing and turning, and she said that when I'd kissed her and caressed her tit – showing off for the boys – she'd almost cum on the spot.

I asked did she have sticky fingers too. "No, a sticky vibrator," she smiled, and I sent her to fetch it. She'd wiped it clean but I could smell her pussy on it. As I breathed in the scent, I stuck my hand back in between my legs, frigging slow and hard. And now she let her robe fall to the floor, and joined me on the bed naked.

She took my hand, pulled my fingers free of my hole, sniffing and then sucking them clean. Then she manoeuvred her snatch up against mine, scissoring me. She was so wet I felt the juices flow out of her, soaking my slit. Then she poked the vibe in between us, up against our clits. My pussy tensed as she switched it on and turned up the power, then we were fucking each other hard, rubbing up together. She came so hard I actually felt it inside of me, then she pulled back and slid the vibe deep in my snatch.

She fucked me deep, relentlessly, pumping the entire length into my hole and squeezing my clit between her fingers and the shaft, until I was cumming like crazy. No let-up just yet, though – she had me raise my bum, weight resting on my shoulders, and fucked me again, blood running to my head. Next time I came, it felt like my orgasm was pounding through my brain as well as my pussy – the ultimate climax!

Nobody at work knows what happened that night – or since. But now we're tired of keeping the secret, so we're going to let the cat out of the bag. For the past month or

MARKETA

PHOTOGRAPHY: DDF

Ah, what's in a name? Some magazines would try to tell you that Marketa, here, was called Gail and hailed from Poole. Hell, we've even been known to do such a thing ourselves when we haven't known what a girl is called. But Marketa isn't having any of that.

"I'm proud of my name, I don't want to be a porn star with a silly fake name," she tells us. "They're all called Madison and Taylor and Sammi, but I don't know anyone with those names in real life. Also, I'm from Prague and I'm proud of it. Why should I pretend to be from somewhere else? I'm Marketa from Prague!"

Okay, okay, we get the picture. We won't call you anything else, ever."

"Good. And don't get my boob size wrong either, or my height. For the sexy bits, you can write whatever you like, because I like all sex, so you can't be wrong!"

For the record, Marketa likes anal while wearing a gasmask. At least, that's what we reckon...

GUEST STARRING

PHOTOGRAPHY: STEVE COLBY

We ran some classic and unseen Jo Guest sets last year, and the response was overwhelming. Sales shot up, the letters flooded in. We kid you not. While one reader thinks we made up last month's letters begging for more Jo (we didn't – photocopies of the originals are available!), it's testament to Jo's enduring popularity that we get a great response every time she's in the magazine where she made her name.

So, knowing that we can't please everybody, we're still determined to please as many people as possible, and that means classic Jo every issue. Let us know if you've got a favourite set from the past you want to see again – some classics have disappeared from our dusty filing cabinets – but we'll do our best to make it happen.

Best arse in glamour history? Check. Most melting eyes in modelling history? You betcha. Welcome home, Jo.

Slaughter High

Arrow Video

Boasting a cast that includes *Emmerdale*'s very own Terry Woods (Billy Hartman), and the drop dead gorgeous (sorry, had to be done…) 'Scream Queen' Caroline Munro, *Slaughter High* has been re-released on DVD for the first time in the UK.

After being humiliated and then scarred for life on April Fools day, the school nerd wreaks revenge on the popular gang who were once responsible for his torment by inviting them back years later to what they think is a class reunion, which just happens to be on the anniversary of his mutilation. What actually entails is a catalogue of hide and seek style murders by the now crazed and twisted nerd.

Here at *MensWorld* we love a golden oldie, and this is exactly what we got. Although *Slaughter High* is probably more funny than scary it is a classic eighties slasher with some both comical and inventive murders along the way.

SLAUGHTER HIGH
IT'S TIME FOR YOUR FINAL LESSON...

APRIL FOOLS!

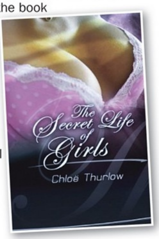
The Secret Life of Girls

Xcite Books

The simple way to describe this book would be as a coming of age story filled with A LOT of sexual discoveries. The story evolves around Bella, a rich 18 year old temptress with what she describes as a 'lovely bottom', who gets seduced by a nun at her posh finishing school and ends up starring in a porno and releasing a number one single which catapults her in to becoming a tabloid celebrity… yeah, believable.

We recently debated 'erotic fiction' in the pub and couldn't decide on its merit. On the one hand, it serves its purpose, but on the other, if you told your family and friends you were working on 'a novel' and then gave them this, they'd probably look at you like you're a joker. And where is the fine line between this and the readers' letters we publish? Is it just a few flowery words?

To be honest, the book is probably one for the missus. But if you can get over the far-fetched plot, there are some pretty graphic sex scenes, with a whole lot of girl on girl and anal action going on. Which is nice.



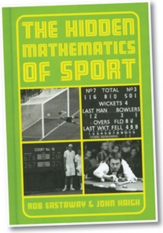
The Hidden Mathematics of Sport

Portico

We may be inbetween football seasons right now, but that doesn't mean we're not still constantly thinking about sport, oh and this month's hot girls, of course…

At first glance this does seem like a pretty geeky book, the hidden mathematics behind an England – Germany friendly isn't something you'd usually find yourself discussing over a few pints, but after closer inspection there are some surprising and interesting facts. Did you know that scoring in tennis originated in France and that the score 'love' is usually thought to be a corruption of 'l'oeuf', the egg, because the number zero has the shape of an egg? Yeah, us neither…

Rugby, cricket, football, tennis and even darts are just some of the sports covered, but it would basically be a perfect present for any sports fanatic and also a useful research and resource tool, if you're into that kind of thing, or as one reader described it, it would make 'the perfect loo book.' Which is spot on.



The Pack

Icon Home Entertainment

Dirty, rundown outbuildings, human remains, acid bath, an old man who's not quite as doddery as he appears and a very creepy old lady who used to be a wrestler? Yes, *The Pack* does tick a lot of the generic horror movie boxes. Throw in the desolate and misty countryside of France as the setting and you've got yourself a horror movie. Not one for the weak-stomached, *The Pack* is a French thrillfest with plenty of gore. Unless you're fluent in French, you do have to put up with reading subtitles, which is never really ideal for a horror film, but it's not really about the dialogue, to be honest.

The casting is a definite strong point with Yolande Moreau (*Amelie*) playing the Crazy Old Lady who happens to be the leader of a pack of blood-thirsty creatures who live in the med, and the hot Emilie Dequenne (*Brotherhood of the Wolf*) playing Charlotte, who picks up what she believes to be a hitchhiker, but who is in fact the son of Crazy Old Lady.

The ending comes with quite an odd twist, and the story does seem a bit broken up, but if you love your Euro-horror it's a pretty entertaining watch.

KRYSTAL

PHOTOGRAPHY: AZURE PHOTOS

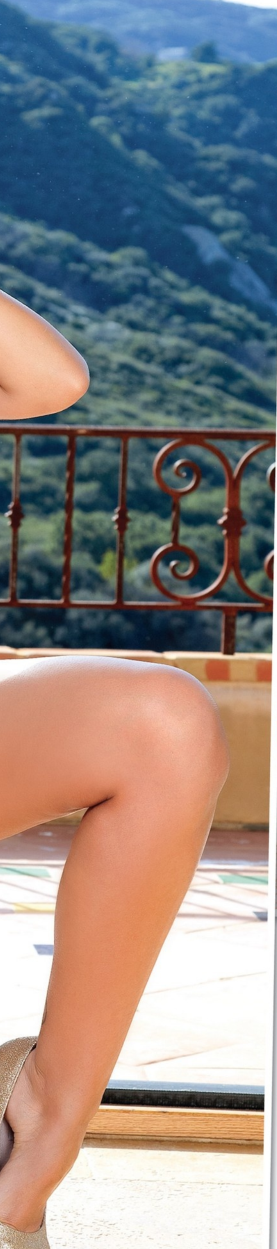
Krystal has only been modelling for a couple of years, but she's already a firm favourite with our readers? Is it those skill boobs? Those sultry eyes? The way she really rocks that underwear? Well, yes, it's all those. But might it also be because she's a Brit, and there's just something special about a British glamour girl?

After all, as much as we loved Jenna Jameson in her heyday, we were unlikely to bump into her coming out of a Gregg's, pasty in hand, were we? Although we did actually bump into Tera Patrick outside a Sam Smith's pub in Soho once. But you've got every chance of bumping into Krystal coming out of Sainsburys, having taken advantage of a £10 meal deal. Or perhaps coming out of the gym, a bead of sweat on her gorgeous brow. Or even popping her head out of the passport photo machine at the post office.

Yes, Krystal is a down-to-earth girl, and the last time we saw her she had a pint in one hand, and then bought another just for us. But she still looks like the fittest girl you've ever seen. What a girl. So if you're reading this, Krystal, stay real. Oh, and we owe you a pint...

ISIS

PHOTOGRAPHY: HOLLY RANDALL



When Isis appeared a mere 3 months ago in *MensWorld*, she was worried our readers might find her a bit boring due to her love of Scrabble and Monopoly. We pointed out to her, correctly, that they were probably a bit too fascinated by her amazing boobs and lickable fanny to be concerned about that.

Of course, we can't speak for every reader, but if anyone out there is stupid enough to think Isis lacks spark, let us direct you to some of her recent thespian activities. She's superb in *Slutty and Sluttier 11*, and really makes something of a poorly written role in *Deep Throat This 42*. And after watching her soak up a load in *Facial Fest 6*, you can't imagine anybody else in the part. So: acclaimed model, highly sought after actress and a real fiend for using the triple word scores. Sounds like a right catch to us...

MODEL BEHAVIOUR

OUR *MENSWORLD* MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. BUT EXACTLY WHAT SORT OF NAUGHTY SHENANIGANS DO OUR GIRLS GET UP TO, AND WHAT IS A PORN MODEL'S LIFE REALLY LIKE? EACH MONTH ONE OF OUR FAVOURITE BABES TELLS ALL ABOUT THEIR SORDID BEHAVIOUR…

NICOLA

The editor of this magazine called me today and asked me if I'd ever done anything on a photo shoot that I was shocking or shameful. Well, at first I thought that sounded a bit silly – everything that happens on these photo shoots is pretty shocking and shameful. It's not like I call my mum and tell her what went on!

But then I got to thinking back to some of the shoots I've been on and this one thing really stuck in my mind. I realised I hadn't told anyone about it, and that it had been weighing on my mind. Not that I didn't enjoy doing it, but it was a thing I've only done once, and I doubt I'd do it again, cos it was so extreme.

I was working on location in Paris and doing a hardcore movie. A nice glossy one with very pretty girls and good-looking studs, just the type I like. I was booked in for two scenes – a girl/girl with a model called Natasha and then a boy/girl with a stud called Mark. Both went very well, and by the time I was finished filming, I was left with a free evening to explore Paris before going back home.

A few of the other cast members were also clear that night, so we went to a restaurant that the director, Luke, recommended and then we followed Luke to some bars and clubs that he said would be fun. He was right – they were a lot of fun, very classy and filled with beautiful people. The last one he took us to was very exclusive, he said he'd had to wait for years to become a member himself. It was luxuriant and decadent, with only the most exclusive clientele. I can hold my own amongst glamorous people at the best of times, but this really made me feel like a rabbit in the headlights.

All the serving staff were fully naked, male and female, and had perfect bodies and perfect poise. They carried around trays of fancy cocktails, no money changed hands, I think the cover charge was huge and that covered everything we had. It was dark in there, lots of nooks and crannies, and it was after my eyes adjusted to the light that I realised people were having sex everywhere! It was a swingers club, but one that you had to pay top dollar to be a member of, and it was geared toward beautiful women

I GASPED OUT LOUD AS I SANK DOWN ON HIS COCK, FILLING MY ASS

– I'd say there were three girls to every guy in the place.

We took a booth and got served drinks by a stunning waitress with the body of a goddess. She caught my eye and we shared a secret smile. I don't think I'd ever seen anyone so gorgeous in my whole life. Jake seemed pretty pleased with himself that he'd got us in there, and the other porn stars – Natasha, Mark and two other girls whose names I can't remember – were as eyes-wide-open as I was.

Well, even though I'd been fucking earlier that day, I was totally horny again and after a couple of delicious cocktails I could feel Jake undressing me with his eyes, so I turned to him, put my hand on his knee and told him there was no place I'd rather be than right there. He smiled at that, and then I moved my hand further up his leg until I could feel the bulge of his growing penis through the material of his trousers. People fucking nearby, softly moaning, added to the sensual atmosphere, and the other actors from my film watched and started masturbating as I pulled out Jake's cock and sank my face into his lap.

I took his penis all the way into my throat with the first dip of my head, tasting its saltiness and feeling his tight balls against my lips. I held my head there, not breathing, running my tongue along his shaft, and slowly came back up, trailing threads of spit as I brought myself up to look in his eyes. He was happy!

We manoeuvred on the seat so I could get on all fours and bob my head in his lap while Natasha and one of the other girls proceeded to undress me, running their hands all over my body as they pulled my tight black dress over my lingerie, and then pulled that off too. I cupped Jake's balls and worked his cock up and down in my mouth, letting it slide in and out of me, guiding it with my tongue. All through shooting the film I was hoping I turned him on while I fucked Mark in front of him, and now I had my answer.

Mark, in the meantime, started fucking the other model, and I'm guessing the sight of a gang of porn stars going at it must have attracted

I TOOK HIS PENIS ALL THE WAY INTO MY THROAT WITH THE FIRST DIP OF MY HEAD

more attention than some of the other patrons, because before long we had an audience. This turned me on even more, and as Natasha slid her fingers into my shaved pussy, I think she was surprised at how wet I was, especially considering that she'd been licking that same cunt only hours earlier.

I noticed the waitress I fancied had stopped to watch me, so I made eye contact with her as I sucked Jake's dick. She walked over and stood by me as I blew him, stroking my hair as my head bobbed up and down. I picked myself up from all fours, faced her and started kissing her hard, and she reciprocated by sticking her tongue hard into my mouth, doubtless tasting the salty flavour of Jake's pre-cum.

Jake was still sat behind me, so I stuck my ass out and lowered it against the head of his prick, which was still slick with my spit. He thought he was getting to fuck my pussy, but instead I pressed my butthole against his helmet and gasped out loud as I sank down on his prick, feeling it fill my ass. The waitress leaned forward to keep kissing me as I ground my butt against Jake's crotch, and I guided her fingers to my pussy so she could frig me while I got my ass fucked.

The rest of our crew gathered around us, touching, fingering and kissing, until I sensed that both Mark and Jake were ready to come. The waitress whispered to me to try and keep the jizz off the furniture, so I took Mark's cock in my mouth and sucked the spunk out of him, drinking down his load while Jake erupted inside my bum, yelping aloud while he flooded me. There were plenty of wet wipes on hand to make sure we didn't cause a mess (I guess they're used to their clients orgasming all over the place!) and we were all sitting drinking our cocktails again within a few moments.

However, I made sure to get the number of my waitress so we could share future intimacies without letting a crowd join in and watch. As much as I enjoyed it, it wasn't the kind of thing I think I could do regularly. It was strange and extreme, but I loved it. And now, whenever I'm in Paris, I have a beautiful statuesque waitress I can call up and arrange to fuck!

Vol. One

A couple of years ago, Ben Dover was seen on TV trying his hand at proper acting, with an acting coach and everything. It was clearly a good idea for a documentary, but even the man in the street could see that Ben wasn't about to grab a guest role on *Doctor Who*. Here he's back doing what he does best – coaxing fit girls to offer up their tightest hole (I'm assuming there bums are tighter than their fannies, but what do I know), standing back as studs plough them, then joining in to drop a load of his own. It's nothing earth shattering – the girls are nice, the blokes are familiar – but it's Ben doing what he does best. And that isn't Shakespeare.

Ah, Prague. Excellent cheap beer and a deep, deep well of enormously fit bints. Cover girl Little Caprice has graced the cover of our sister mag *Teens Untamed*, and the only shame about her performance here is that there isn't a penis involved. She does get involved in quite a toy-heavy lesbo threeway, however, which is nice of her. It's bumming ahoy elsewhere as Russian romper Ivana takes on 3 dicks, and gamely hides some 30 inches of meat inside her at once.

The petite Ferrara Gomez somehow takes Danny D's footlong fuckstick inside her – although here's only a small portion finding its way into her bum – and our own Syren Sexton soaks up a load too. Absolute filth, we're booking another ticket as we speak.

It's a title that doesn't leave much to the imagination, isn't it? And, of course, those expecting two hours plus of non-extreme vaginal sluts will be somewhat disappointed. But then those people would be idiots, wouldn't they?

Five scenes of decent anal action is what we're promised and that's exactly what we get – both Judith Fox and Rosses (a strange porn soubriquet, let's be frank) going beyond the call of duty with a double dicking. I reserved special suds for Katy Parker, the pick in terms of looks, who rewarded me by throwing some tit-fucking into the mix before opening up her wrong 'un. For 'does what it says on the tin' wank-fodder, look no further.

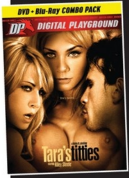
Tara's Titties

(Digital Playground)



Jeez, but this is one fit cast. We expect it of DP, of course, but watching this many sexy ladies doing sex is a rare pleasure.

Riley Steele is the titular Tara (see what I did there?) but she's not the only pecker-pleasurer putting in fine work here. Madelyn Marie, Francesca Le, Brooke Banner and Madison Ivy all refresh their acquaintances with the male of the species as well.

Plot? Yes, there's one of those, but don't trouble yourself about it. This is all about fiercely sexy women letting us see what they look like with cocks inside them.

THE TORI PARTY

When porn megastars Bree Olson and Tori Black collide – never mind the other A-listers in this cast – it's all our girl Emma Edwards can do not to join in...

Bree & Tori
Starring: Bree Olson, Tori Black, Bobbi Starr, Monique Alexander, Gracie Glam, Lux Kassidy, Kirsten Price, Celeste Star, Juelz Ventura, Lizz Tayler

Directed By: Andre Madness
Available From: Adam & Eve Pictures

During the past few years, few performers have shaken up the adult landscape quite like Bree Olson and Tori Black. Newly released from her contract with Adam & Eve Pictures, Bree Olson continues to raise temperatures and cocks, maintaining her hardcore tradition of spreading wide and letting us all inside, since she began working back in 2006. With Mid-Western charm, a body built porn tough and a penchant for sex that is unparalleled by most, Bree immediately charged full speed ahead, doing anal, interracial and group scenes as her formal and preliminary introduction into the jizz biz. Basking in the public eye for her unconventional relationship with Hollywood bad boy, Charlie Sheen, Bree has once again captured the hearts of the mainstream audience, forever dubbed as one of Sheen's "goddesses".

Also plucked from the fields of heaven, Tori Black is the epitome of sexual perfection and is the adult industry's version of an elite supermodel. By demonstrating incomparable good looks and an insatiable appetite for sex, this two-time Performer of the Year recipient may be one of the most beautiful women ever to spread her legs for porn. With the sexual prowess of a lion, the heart of an angel, and the mind of a scholar, Tori just might be the hottest piece of ass on two legs.

Juelz Ventura? Ace Ventura, more like!

Lizz Tayler samples Juelz's juice!

The Price is right!

As of today, nobody has yet to dispute our bold statement, or her uncanny ability to stretch cocks and dampen panties.

Realising the rarity and value of these two porn princesses, Andre Madness, a world-renowned director, celebrated for his brilliant style and erotic vision, has concocted the best combination since the advent of peanut butter and jelly. In *Bree & Tori*, his latest all-girl offering for Adam & Eve Pictures, Andre has placed Bree Olson in one hand and Tori Black in the other, smacking them together, along with eight other industry babes, in a movie that celebrates the unrivaled beauty and art of lesbian sex. With tidings as sweet as these, are you ready to wet your whistle? These ladies certainly are.

Upon arriving, Bobbi Starr sexily squats down in a stark white setting, bending and twisting for her for photography session that is quickly rendering her naked. Yanking her lace panties to the side, she proudly shows off her impressive hair pie that she has undoubtedly freshly fluffed for her looming festivities with Monique Alexander. Practically licking her chops, Monique is on the edge of her seat, impatiently tapping her foot and pinching her clit bud that is visibly lifting the skimpy fabric from her black and white panties. "Fuck, I can't wait," she sighs, seemingly lost in the delicious look of Bobbi's creamy skin.

> "BOBBI PROUDLY SHOWS OFF HER IMPRESSIVE HAIR PIE"

The moment the last frame clicks, Bobbi charges after Monique, landing softly on a crisp bed made of tousled Egyptian cotton sheets that resemble white caped ocean waves. Straddling her curvy legs around Monique's slender hips, Bobbi grabs Monique's pretty face in her hands and begins passionately kissing her. "I saw you looking at me," Bobbi whispers, raking her tongue across Monique's glossy pink lips, "I wanted you too." Smiling at Bobbi's erotic admission, Monique yanks Bobbi's panties off and positions her body on all fours. With bright eyes and a salivating mouth, Monique meticulously inspects Bobbi's perfect fuck holes, deciding which delicacy to sample first. Enamored by her peachy asshole, Monique darts her tongue across the crinkly skin before latching her mouth around her spongy pussy lips for a deep-rooted slit session. "Party on the top, business on the bottom," Monique jokes about Bobbi's impeccable muff style that has become her signature look. Detaching her mouth from Bobbi's beaver, trails of gash gloss coat the corners of Monique's lips, making her look as though she's just sunk her teeth into a juicy peach… guess she has!

Meanwhile, back in the garage, Bree Olson and Tori Black, the stars of the show, are found making out in the back of an old pick-up truck. Resourcefully resting their flawless bodies against a blue moving blanket, the dynamic duo are going at it like cats in heat. With the cameras now rolling to capture their impromptu romp, Bree and Tori stay locked in an awe-inspiring embrace that has their tongues wagging across each other's tits and lips. "You look so beautiful," Tori compliments, stripping Bree out of her elegant bra and panty set. "Open your legs for me," Tori continues, raking her manicured nails along the inside of Bree's stocking clad legs, creating a scratching sound that has Andre adjusting his shirt collar.

Once open and fully exposed, Tori patiently paws at Bree's fuzzy pussy, stuffing it with a flurry of fingers and her tongue, causing her perfect co-star to bubble and coo with excitement. "More… please give me more," Bree begs, as Tori ups the ante by further impaling her blonde plaything with a glass dildo that is ridged with several tantalizing lumps and bumps. The moment the toy enters Bree's pussy, a trail of sticky gloss begins flowing down her legs like warm syrup down a stack of piping hot pancakes. As can be expected, Tori is more than happy to clean up her spewing co-star by using her tongue as the service mop.

Lost in the delicious taste of Bree's syrupy surprise, Tori positions Bree over her face, urging her to have a seat. Once in place, Tori latches onto the sides of Bree's sun-kissed hips, grinding her mouth and chin into Bree's bubbling beaver until she pops and puddles with pussy pottage. Hot doesn't even come close to describing the lethal combination of these two superstars, or the hardcore combustion that is moments away from erupting.

> "A TRAIL OF STICKY GLOSS BEGINS FLOWING DOWN HER LEGS"

With tough shoes to fill, the pressure is on for Gracie Glam and Lux Kassidy. Up for the challenge and thoroughly heated by the events of the day, these women are more than eager to tear into one another and demonstrate their skilful aptitude for tits and clits. Perfectly complementing each other, Lux's golden locks and fair skin beautifully stand out against Gracie's raven ringlets and caramel-coloured curves. "Ready to do this?" Gracie purrs, climbing on top of Lux's sculpted body to wrap her puffy lips around Lux's pink pout. "Of course," Lux whispers, reaching her hands around Gracie to pump her hips into her pussy. "Oh, that feels good," Gracie smiles, as the girls begin milling their middles against each other until obvious wet spots begin crumpling the crotches of their lacy panties. "Damn, that's hot," Andre relishes, whispering to the crowd from behind his lens, obviously excited about the perfect pairing he's responsible for creating.

Completely turned on, Lux grabs her favorite vibrator, a white stick lined with pink flowers and has Gracie hold it in her mouth. With the stick sticking straight up from Gracie's lips, Lux stands above Gracie's head and aptly takes her seat. Holding the toy in place with her hands, for better control, Gracie keeps it in her mouth as Lux begins riding the stick up and down. Pulling on her tits until her nipples dart out like princess cut diamonds, Lux maintains a constant rhythm, popping her slop across Gracie's beautiful face down below.

Lux likes she's having fun!

Celeste proves she's a star!

Oh fuck, will you just look at that!

Face down, ass up. Bobbi knows the rules!

Monique gives Bobbi muff respect!

In contrast to the white backdrop of Bobbi and Monique's lesbian liaison, Andre has chosen a more ominous feel for the coupling of Kirsten Price and Celeste Star. With darker make-up and edgier personalities, these two dream girls are thickly spread across black sheets like hot tar over a New York City rooftop. Together, they are the incarnation of the phrase 'double trouble'. Flipping each other across the sheets, both babes physically vie for the dominant position. Fresh out of her contract with Wicked Pictures, icy diva Kirsten Price wins out in the end!

"SHE GRABS A WHITE VIBRATOR AND PUMMELS CELESTE'S CLAM"

Spitting a wad of saliva across Celeste's freshly shaven snapper, Kirsten ensures their ride is rough and dirty from the start. She later grabs a white vibrator and pummels Celeste's clam until it begins spewing with scads of yummy chowder. Licking up the saucy spread, Kirsten makes great use of her tongue, treating her fantastic friend to a flawless oral session that leaves both pussies wet.

Returning the favour, Celeste has her way with Kirsten, doing her best work when flipping her friend on all fours to lick her asshole with a long tongue that pleasantly points at the tip. "Now, that's what you call Grade-A ass!" Celeste jokes, kissing Kirsten before spinning her around for another clit to clit encounter.

In the final scene of the production, Juelz Ventura and Lizz Tayler get freaky in the bowels of a seedy basement when they find a discarded sofa to fuck across. Like the beautiful bitches that came before, these girls are a little rough around the edges and are ready to rock.

Beginning with their asses to the camera, both girls squat into perfect doggie formations. Grabbing a red, slotted dildo from behind the cushion, Juelz impales Lizz with the sturdy stick until she starts screaming and creaming with a milky flow that descends her tanned legs. "I fucking love it!" Lizz barks, thrusting her body backwards to create a more solid cunt to toy connection with Juelz's little friend.

When finished there, Lizz secures another red dildo on the top of her left leg and urges Juelz to take a seat. Juelz does exactly what is asked of her, working her hole over so well in reverse cowgirl that the entire room literally falls silent as she thrusts her body up and down. As soon as Juelz reaches orgasm from this position, the girls fall into each, locking their lips together in a passionate embrace that closes the show just as seductively as it began.

Undoubtedly captured here today is pornographic lightning in a bottle. If premiere lesbian loin locking is your cup of tea, then *Bree & Tori* is the production you've been waiting for. With flawless female talent, led by the artistic aptitude of director Andre Madness, and the amazing coupling of Bree Olson and Tori Black, lesbian erotica doesn't get much stronger than this. Just wait and see!

so we've been building a website, with plenty of nasty pictures of the two of us going at it. There'll be no big announcement, we'll just see if anyone from work discovers shots of me eating Natalie's arse, or her dildo-fucking me while I bend over and touch my toes in stockings and garters. Okay, if they're slow to find it, we may have to fire off a sneaky email or two!

We're getting so excited we're finding it tough to get any work done. The other afternoon, Natalie texted me, telling me to meet her in the bathroom. She wanted licking and so I bent her over the toilet and chowed down on her wet cunt as I touched a little pocket vibe to her clit. She had to bite down on her sleeve to keep from screaming, and then she fingered me to orgasm before we went back to our desks. But by the end of the day, we just wanted to fuck again.

We're also contemplating screwing some of the guys from the office, dragging one or two into the storeroom and giving them a bonus. And it won't necessarily be the good-looking ones, just those who'll appreciate getting sucked and fucked by us the most!

It's not very professional, but if I've got to work for a living, I may as well enjoy it – and if I get fired, at least it'll have been totally worth it!

Olivia, Penzance

STRAPPED FOR GASH!

My girlfriend Gayle and I love going to lesbian clubs. We're lipstick lesbians and like to fuck girls just like us, and recently we met a couple of strippers, Nina and Helene. They'd got into playing around together after shows, to work out their frustration following all the look-but-don't-touch rules. So we got invited to watch them perform, and then to hang out with them after their shift.

They were two fit blondes with a sweet tooth for brunette cunt, and we paired off with them to start – Helene liked Gayle's tattoos, leaving me with her big-boobd pal. And while Nina got three fingers in my cunt almost the moment we were naked, she needed a heavier hit of fucking herself.

She asked me if I wanted to fuck her with her strap-on, which was such an arousing idea. It felt strange harnessing a big fake knob to my crotch, but the wild look in her eye as it sunk into her snatch, and her moans and cries as I nailed her hard, soon got me creaming.

Gayle and Helene were sixty-nining, Helene tonguing my girlfriend's crack as she spread wide for her own sucking. I'm not a jealous girl, but seeing the pleasure she was getting, the way her body tautened and shivered with every lick, got me pounding the dildo harder into Nina's cunt. And my fingers on her clit and my mouth on her nipples had her writhing under me, twisting on my pole – I felt so much satisfaction that she was first to cum!

Nina was spent and so I crawled over to the others, sticking my dildo in Gayle's face, still drenched with girl-cum. I told her to lick it, but she took it in her mouth, sucking up every drop as she swallowed the entire shaft. It looked like she was making up for all the cock she hadn't sucked while she'd been eating pussy.

She didn't leave Helene hanging, though – she wet two fingers in her cunt, then slid them into her arsehole, pumping in a frenzy. And the harder she sucked – her

free hand wanking the shaft in and out her mouth – the quicker and deeper she fingerfucked that tight arse.

Now Nina threw herself back in the mix. As Gayle blew me, she got in behind, pulled the harness sideways and began to lick my crack, mumbling that maybe I could do Helene in the arse while she had some fun with Gayle.

Hearing her name, Gayle spit out the dildo, her face a mess of cunt cream and smeared lipstick. Nina got in her face for a stand-up sucking and I watched her rock her pussy on and off of Gayle's mouth.

Helene stayed on her back, playing with her own tits, legs up and back to expose her arsehole. So I knelt down and slowly inched the dildo in her hole, watching the look on her face as she took it deep.

I've cum on the end of Gayle's tongue so many times, I got a kind of sympathy twinge deep in my snatch from Nina's moans, knowing what she was feeling. But my attention was fixed on Helene, on her squirming arse as I plunged in deep.

Now Nina straddled Helene's body, while Gayle squatted on Helene's face. Then Gayle went back to sucking Nina's clit, fuelled by licks from Helene, while I got three fingers in Nina's snatch from behind.

It was like one big circle of girl-fucking, and as my head swum from the pleasure I lost all track of who was cumming. Just as I felt Helene's bumhole snap tight around the dildo, Nina's cunt rippled against my fingers. My pussy was throbbing but I didn't cum – yet.

Finally Gayle said it was my turn, and so the three of them laid me down, Nina eating me while Gayle and Helene sucked on a tit each. It took me less than a minute to cum, and when I did, I'm certain I filled Nina's mouth with juice. I can't imagine how Gayle and I will top that night – but that won't stop us trying!

KAMI

PHOTOS: GLAMSHOTS

The last time Kami found herself all nude and stuff in *MensWorld*, she was fresh out of the shower (issue 23/2, back issue fans) and we had a huge urge to make her dirty all over again. Well, we're happy to welcome her back, and we're still having impure thoughts about her now.

"Ooh, what kind of thoughts?" asks Kami, twinkling.

Pretty nasty, sexy ones. Are you sure you want to know?

"Of course. And if they're really nasty, you know I'm going to finger my pussy while you tell me, don't you?"

We were hoping that might be the case. Okay, well we wanted to [redacted]. And then to [redacted] your [redacted].

"Okay, I'm rubbing my clit right now. What else?"

Well, then we'd put our [redacted] [redacted] in your [redacted] and then stick a [redacted] right up your [redacted].

"You naughty boys! I've got three fingers inside me sopping slit. You'd better not stop..."
